

The background image shows a bustling city street, likely Times Square in New York City, during the day. The scene is filled with bright billboards for various brands like Xinhua, Bubba Gump Shrimp Co., and Orphan Black. Several yellow taxis are driving on the street. A large white arrow points from the text area towards the center of the city scene.

- Admin control
- Auto calculation of Driver payouts
- Auto tax management

We are ultimate choice

- Unlocking n-options to choose from
- 100% customisable
- 100% client satisfaction

The image displays three screenshots of a mobile application interface:

- Trip Requests:** A modal window titled "Trip Requests" showing a trip from "Albert". The pickup location is "C-25, JJ Colony, Sector 4, Noida, Uttar Pradesh 201301, India" and the drop location is "Q10/12A Ceramics Technologies Pvt LTD, Srinivaspuri Extn, Block Q, Private Colony, Sri Niwaspuri, New Delhi, Delhi". An "Accept" button is visible.
- User Profile:** A profile screen for "Albert Einstein" with the phone number 17323452278. It includes a map view of a city area and a sidebar with the following options:
 - Profile
 - Update Contacts
 - Your Rides
 - Logout
 - Share
 - Deactivate
 - Support
- Bookings:** A list of bookings under the "Upcoming" tab. It shows three entries:
 - JANUARY 10 - 12:30 PM: Pickup Location - Historical Library & Museum; Destination Location - My Home
 - FEBRUARY 15 - 4:50 PM: Pickup Location - Royal Light Cinema; Destination Location - Historical Library & Museum
 - MARCH 16 - 10:30 AM: Pickup Location - My Home

Featured Dashboard

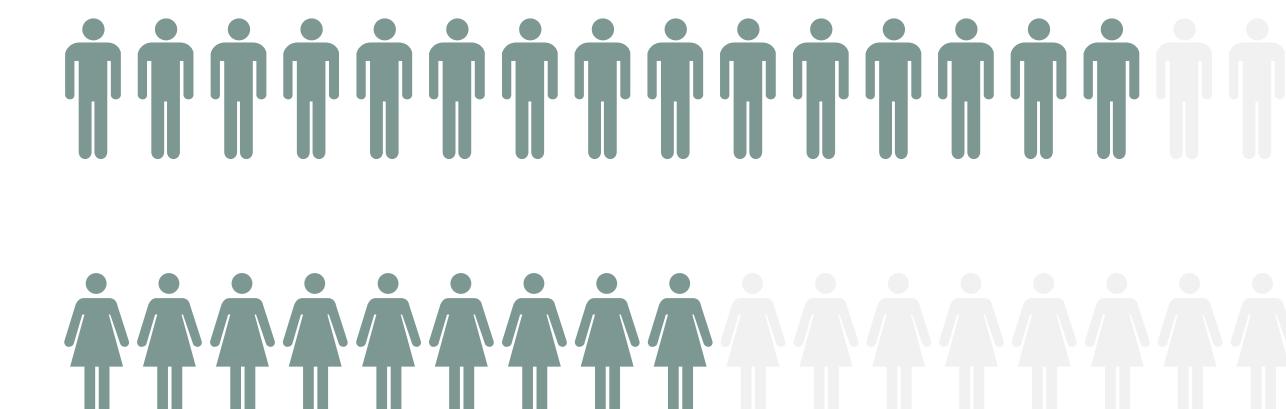

The screenshot shows the Appcial dashboard interface. On the left is a dark sidebar with a logo, a search bar, and a main menu containing links like Dashboard, Passengers Manager, Drivers Manager, Payments Manager, Promo Manager, Live Tracking, Trips Manager, Category Manager, Settings Manager, Send Email, and Send SMS. The main area has a header with a user icon labeled 'Administrator'. Below the header are two rows of statistics: 'Total Trips' (5832), 'Total Drivers' (857), 'Total Passengers' (716), and 'Total Payments' (\$572,793.13) in the top row; and 'Total Booked Trips Today' (50), 'Total Available Drivers' (239), 'Total Available Passengers' (540), and 'Today Total Payments' (\$1,983.64) in the bottom row. At the bottom are two pie charts: 'Total Earning' and 'Daily Earning', each with four segments: Gross Earnings (green), Driver Commission (red), Other (grey), and Total Tax (orange). The footer includes copyright information: 'Copyright © 2019 Appcial, All rights reserved.' and 'Grepix Infotech'.
